Thoughts on Day 2:

Amazingly there were five people who got all 12 games correct. It is nice to see Kevin Thomas rebound after a tough first day to win some money. Dick Dickson, Jack (and Judy) Startup, Bill Koftinoff, Ed Wilcox#1 and Kevin all had the crystal ball on Sunday. I do feel sorry for Rob Ferguson and Pete Staff, who had the first eleven games correct, they just missed the last game to be finished.

There are 26 entries this year. That means the total pot is \$520 this year.

The total available every day is $\$31.20 \times 6 = \187.20

First overall will get \$130.00
 Second overall will get \$78.00
 Third overall will get \$52.00
 Fourth overall will get \$41.60
 Fifth overall will get \$31.20

Remember, there will be no tie-breakers, the pots will be split evenly
