Final Thoughts:

Well, here are the final standings. It was a rough day for all. Because of PEI and NO's upset wins, there were only 3 people who scored over 61. Congratulations to Bob Stanton was was the final daily winner. Al Bressanutti is the weekly winner of the first annual BV Brier Pool. Congratulations Al, you proved you could pick winners in Canadian Men's Curling. Rounding out the top five are Patrick Barrick (Al's teammate), Dick Dickson, Larry Racette (another of Al's teammates) and Rob Ferguson. In all there were 11 different entries that won a part of the pot this year. I would like to thank all of you for playing and would like for you to try again next year (and bring a friend too). I will be notifying the winners by email (please check your spam folder for "hellfishaxle@excite.com") or phone within the next couple of days. If anybody has any suggestions as to how they feel this could be better next year, please let me know. Again, thank you for playing and I hope you enjoy watching the rest of the Brier. Marcus, Drawmaster.

There are 26 entries this year. That means the total pot is \$520 this year.

The total available every day is $\$31.20 * 6 = \187.20

First overall will get \$130.00

Second overall will get \$78.00

Third overall will get \$52.00

Fourth overall will get \$41.60

Fifth overall will get \$31.20
