Rules:

For Saturday, there are 8 games that will be played, therefore put the numbers 1 through 8 to the right of the team you think will win
 For Sunday, there are 12 games that will be played, therefore put the numbers 1 through 12 to the right of the team you think will win
 For Monday, there are 10 games that will be played, therefore put the numbers 1 through 10 to the right of the team you think will win
 For Tuesday - Thursday, there are 12 games that will be played, therefore put the numbers 1 through 12 to the right of the team you think will win
 (Remember, you want the highest points possible and the score of the game does not matter)

If you use the same number twice (or more) on a particular day, you will **NOT** receive credit for either of those choices (you must use all the numbers for a given day)

Entry Fee: \$20.00

The entry fee and completed form must be submitted to the drawmaster **BEFORE** the first rock of the first draw. There will be no changes allowed. You are encouraged to enter more than once as long as you submit your additional sheet(s) and entry fee(s) before the first rock of the first draw.

(If you enter more than once, you can win more than one weekly prize)

Anybody can enter (email your friends and family)

Payouts are as follows:

| | With <75 entries | With >74 entries |
|------------------------------------|-----------------------------|-----------------------------|
| Top Daily Point getters (each day) | 6% of total Prize (6 total) | 4% of total Prize (6 total) |

There will be no tiebreakers - a tie is a tie is a tie (the prize will be split evenly between the number of entries that are tied)

Ways to get your form to Drawmaster Marcus Partridge

In person: I will be at the Beaver Valley Curling Club Monday and Tuesday night at 6:50 pm watching, and Thursday 6:05 pm curling.
 At the Club: Put your entry form and entry fee into a **SEALED** envelope and slip it under my Curling Supply store door
 By Mail: PO Box 1160; Fruitvale, B.C.; V0G 1L0
 By email: Scan your completed form and email to: hellfishaxle@excite.com (you will still have to get you entry fee to me before the deadline)
 At work: I work from 8:30 am to 4:30 pm at Park, CGA (my office is right above the Panago sign in Trail) (upstairs by the TD Bank)
 (I would prefer not to use this method, as it is the "tax season" and our office is very busy but if you are quick to drop off, ok)

Please stay tuned to www.bvcurling.com as that is how I will send group messages and send the daily standings

Please also check your "spam email" until the Brier starts as I will send out personal messages this way. My address gets caught by spam checkers.

Hint for winning: When the drawmaster lived in Cranbrook, he and BC third Tom Shypitka curled together and became Curling friends, so when selecting your teams, keep in mind it would be unwise to upset the drawmaster and say BC will win fewer than 11 games.

Only the prize winners will be contacted at the end of the week to work out how they would like to receive their prize.

HAVE FUN AND GOOD LUCK!!
