Third Thoughts:

OUCH!! As much as you think an easy win is an easy win, it's not. It would have been worse if not for MB's miracle comeback against NB in the morning draw. Everybody struggled. On a day when the top point getter was 60 out of 78 and the next highest is 51, sometimes that is just the way it goes. Kinda like it is on the ice. Derrick Bouma and Mike Morissette were the only ones to pick QC beating BC in the afternoon. Peter Staff was the only person to pick Alberta over Canada in the evening and as a result of that pick he is today's winner. Congratulations. Tomorrow will be better for everybody.

There are 26 entries this year. That means the total pot is \$520 this final year.

The total available every day is $\$31.20 * 6 = \187.20

- First overall will get \$130.00
- Second overall will get \$78.00
- Third overall will get \$52.00
- Fourth overall will get \$41.60
- Fifth overall will get \$31.20
